Registration

Please register at the desk upon arrival. This will confirm your place in the main hall. If anyone should turn up who hasn't registered we want to make sure that you all get first choice of places in the main hall.

This is also the time to register any of your children who may be using the children's rooms.

Books

A tent will be set up which will house books from Dr Baucham. Rainbow books (www.rainbowbooks.co.uk) will also be selling the Titus2 published books by the Maxwells. Please feel free to browse and purchase as you see fit.

Q&A

The final session of the day is an open Q&A time. It would be helpful though for Dr Baucham if you could submit some questions early. Some questions may obviously arise on the day and we will seek to include some of these, but to make the session as smooth as possible some submitted questions would be very helpful. If you therefore have a question you would like to ask then please e-mail homeedencday@walkington.f9.co.uk or use the contact form on the website (<http://homeeducationencouragementday.weebly.com/>) to send them to us. We obviously cannot guarantee that every question asked will be used as there are currently over 200 people registered!

Children's Activities

The children's activities will take place during each session. Could parents please drop off and collect the children before each session starts and after it has ended. The people who are kindly doing these activities are all volunteers, which is one reason it can be a free conference, and so please let them have a break by not dropping children off too early or collecting them after a 5(ish) minute chat 😊

If the day is nice and sunny then some activities will take place outside and so we suggest that you take that into account with your children (eg sunscreen, hats etc.).

Donations

If you would like to contribute to the costs of the day, and there is no pressure, then a box will be provided for the purpose.

Miscellaneous

The terms of the hire agreement of the venue stipulate that only drink purchased from the venue may be consumed. We have purchased from the venue 3 drinks sessions which are Teas, Coffees, water and squash for all adults and children. Food is not provided and so you can either bring your own, buy on site or in the village shops which are 1 minute's stroll from the venue. There is a field adjacent to the hall which may be nice for a picnic, assuming the weather is nice, or else we will have to spread out inside.

There is space for 90 cars to park at the venue which should be enough. There will be people directing traffic on the day.

There are a few computers available at the venue should anyone need to check traffic or the like during the day.

Finally, many thanks for coming to this event and we hope that it is a blessing to all of us. We have certainly been looking forward to this for a long time!
